**General Policies**

Students should be warmly but comfortably dressed wearing a warm-up suit or sweat suit, jacket and gloves or mittens. Skates should be properly fitted and tied snugly - the ankles should be supported when standing still. Check with your coach or our ice guard staff if you require assistance with skate fitting.

We request that all observers sit in the bleachers or in the Warm Puppy Café at all times during lessons. This rule must be enforced as we find that students learn better in a quiet, organized and structured setting. Please do not make the teachers leave their classes in order to ask observers to leave. The safety of all skaters is our main concern and if skaters are looking for their parents, they tend to fall and hit the skater next to them. PLEASE HELP US TO ENFORCE THIS RULE FOR THE SAFETY AND LEARNING OF ALL SKATERS.
